Friday May 11th

We welcome **Pam Maynard** of Armchair Ministries as our Guest Speaker. Armchair Ministries' prime objective is to support women in learning more about the Holy Spirit and how He works with us.

Another area the Lord is taking Armchair Ministries into is Business Consultancy.

Pam has travelled from Northumberland to be with us at this meeting, so let's anticipate a special time in God's presence. Don't overlook inviting your friends.

I give you My Word

Now into its second year, this ministry has been birthed at the Lord's prompting, initially called 'The Bride Unbridled' and I believe He is directing us to

use it as a means of seeing women set free to become all that He purposes for us to be in these important last days. Grow with us and encourage women that you know to attend, both believers and those that may be just enquiring. Own it as a place where YOU can be a part of what God is wanting to do. We meet about quarterly, which ensures that we don't take you away from your own church or family commitments, and yet timed for you to have something special of your own to look forward to once in a while. We believe this will grow to be a shelter for those who need comfort from pain and abuse, and where many hurting women can come and find rest in the Lord. If you know such ladies, please invite them along. (The dates and times of our 2007 meetings are centerfold overleaf).

Ministry

If you would like to invite myself or any of our Guest Ministries along to one of your meetings, please make contact with us. We are here to serve God—and you.

There will be a love offering received at the meetings to cover hall hire/food/guest ministry expenses
